Rockville, MD 20850

Dear Stan Garber:

We are copying you on this transmittal to our lawyer, verifying that the recent citations you issued for properties identified in the 15 citations concerning our condominiums at Clarksburg Town Center were issued in error.

The enclosed U of O's completely disprove your claim that these properties were not the recipients of valid U of O's. Please retract those citations as null and void.

Thank you in advance for your anticipated cooperation. Please direct your retractions to our attorney, Kevin Kennedy, at Shulman, Rogers, Gandal, Pordy and Ecker.

Sincerely,

Gudrey Landis
Audrey Landis

DEFENDANT'S COPY

NOTICE TO DEFENDANT THE THE MERCHAND

Certain violations require that you MUST APPEAR for trial, while other violations give you the option to appear in court or to pay a preset fine.

IMPORTANT INFORMATION: It is your obligation to know your trial date and appear on that date. The Court will mail a courtesy notice to the name and address shown on the front of the citation. If your name or address on this citation is not correct you must in writing notify the Court or agency/municipality listed on the front of this citation of any changes. The Post Office does not forward Court mail. Persons with disabilities who require a reasonable accommodation to participate in any part of the court proceeding should contact the court in advance.

IF CITATION IS MARKED "YOU MUST APPEAR IN COURT" ...

Appear on the date and at the court location indicated in the notice provided to you by the District Court. You may be represented by an attorney obtained at your own expense before the trial date. A trial will not be postponed to allow you to obtain an attorney. Please read "Important Information" above.

IF CITATION IS MARKED "YOU MAY ELECT TO STAND TRIAL"...

- Send a written notice of your intent to the name and address of the agency/municipality, by the date listed, on the front of this citation. Indicate the citation number printed on the front of the citation under the bar code: "Please read "Important Information" above.
- Appear on the date, time, and at the court location indicated in the notice provided to you by the District Court.
- DO NOT SEND PAYMENT OF FINE.

- IFYOU ELECT TO PAY THE FINE...

 Write a check or money order payable to the Court or agency/municipality listed on the front of this citation. Indicate the citation number printed on the front of the citation under the ball codes with the analysis now. The met in which is well
- Send or deliver the payment to the payment location indicated on the front of this citation by the date specified.

 DO NOT SEND CASH

 IF YOU FAIL TO STAND TRIAL OR PAY THE FINE.

- You may be arrested.
 Settle and stade colored and stade c
- A judgment on affidavit may be entered against you for the amount due and the costs of correcting the conditions that caused the violation. If the fine remains unpaid for thirty (30) days following entry of judgment, the judgment may be enforceable the same as any other civil judgment.

 IF ABATEMENT IS REQUESTED...

The Court may order you to eliminate the condition causing the infraction or may direct the governmental agency to remove the condition and bill you for the costs. If the bill is not paid a judgment will be entered against you.

THIS IS A VIOLATION OF WASHINGTON SUBURBAN SANITARY COMMISSION REGULATIONS...

In some circumstances, each day a violation continues may be considered a separate infraction subject to additional citations and fines.

RE: Site Plan #8-98001

Clarksburg Town Center - Phase I

Dear Wynn:

These comments on the Clarksburg Town Center site plan supercede my memo to you of September 8, 1997 and should be considered in complement with the comments from the Department of Public Works and Transportation (DPW&T) contained in John Clark's letter of January 14, 1998 to Mr. Richard Hawthorne.

Clarksburg Road

The applicant will be responsible for constructing public improvements per the DPW&T approved cross section within one half (40 feet) of the 80 foot right of way adjacent to the Town Center property (Sta. 9+20 to Sta. 19+70). Clarksburg Road will transition from an asymmetrical alignment back to a symmetrical alignment from Street L to Street K (the Greenway Road). The 8 foot bike path crosses to the north side of Clarksburg Road at the Greenway Road. Therefore, a 5 foot sidewalk will be provided adjacent to the Town Center from the southeast corner of the Greenway Road to Sta. 19+70. No additional auxiliary lanes will be required. Note: A 150 foot long southbound left turn storage lane at the Greenway Road must be under permit and bond before approval of Phase II building permits (e.g. the entire 38 foot roadway section must be completed).

The channelizing islands on the Greenway Road and on L Street at Clarksburg Road as shown in the July 1997 plans must be constructed as part of Phase I. We will work with you and the applicant during the storm drain and paving design/permit process to maintain the integrity of the hedgerow south of L Street on Clarksburg Road.

Page 2 - Wynn Witthans - Clarksburg Town Center - Phase I

Stringtown Road

The applicant will be responsible for constructing public improvements per the DPW&T approved cross sections within one half (52.5 feet) of the 105 foot right of way between MD 355 and the Greenway Road and within one half (60 feet) of the 120 foot right of way between Sta. 33 +50 to the Mid-County Arterial (A-305), including the bike path, which will need to be partially located outside the right of way in a Public Improvements Easement. These improvements will include the median curb and gutter. No additional auxiliary lanes will be required in either section.

The median island on Street C at Stringtown Road as shown in the July 1997 plans will be required, however, the right turn channelization on Street H will not be required under Phase I.

Note: A detailed plan addressing the need for a turn-around provision and driveway access to all the existing properties along the portion of Stringtown Road to be "cut off" will be necessary under Phase II. This "old" portion of Stringtown Road will probably be retained as a public street. Its intersection with Street D should be shifted northward to create a "T" intersection with the Street D loop.

Mid-County Arterial

No improvements to Mid-County Arterial will be required under Phase I. Main Street will not be connected to existing Piedmont Road under Phase I. However, prior to approval of the record plats, the applicant must prepare a concept plan showing how the DPW&T approved cross section and public amenities will be accommodated within the right of way and any neccessary Public Improvement Easement. We will also need to see a concept plan showing how a median at the intersection with Stringtown Road will be accommodated and its relationship to the median on the south side of the intersection of future Mid-County Highway.

Internal Streets

Traffic Calming: In order to promote a safe pedestrian environment and maintain slower traffic speeds within the Town Center, we will require a series of traffic calming measures. These include neckdowns around the Town Square area (no median islands) and raised pedestrian crossings with neckdowns on the Greenway Road at Street O and at the future main entrance to the shopping center, on Street O behind the Church, and on Street C at the pedestrian path crossing. Additionally, the intersection of the Greenway Road and Main Street will be raised to emphasize this intersection as a pedestrian hub. We will work with you and the applicant during the storm drain and paving design/permit process to "fine-tune" the design of these traffic calming features.

Page 3 - Wynn Witthans - Clarksburg Town Center - Phase I

Radius Curb Returns/Elimination of Right of Way Truncations: We have endorsed the use of 15 foot curb return radii and the elimination of right of way truncations at the majority of intersections within the Town Center as shown in the July 1997 plans. There may be slight adjustments to some curb returns to accommodate the traffic calming features as these are worked out in final detail.

Main Street Greenway Crossing: We do not support a waiver of the vertical sag requirement at the Greenway Crossing. The Primary roadway standard must be maintained.

Special Pavement Treatment: We do not support the use of special pavement treatments either in the form of brick or other pavers or pavement coloring/texturing on the public streets. At this time, DPW&T does not have the resources to maintain such treatments and we do not believe it is appropriate to require private organizations to conduct maintenance within the street itself.

<u>Truck Access - Shopping Center:</u> Truck loading details and a circulation plan which separates truck access from the residential uses and accommodates the appropriate sized vehicles will be required when the shopping center is under site plan review.

Traffic Signal Conduit

Traffic signal conduit will be required along Clarksburg Road, Stringtown Road and Mid-County Arterial (future). The applicant will be responsible for installing this conduit as part of the public improvements in the right of way for those portions of roadway to be constructed under Phase I now (and Phase II in the future). We envision that the following intersections will be ultimately signalized:

- MD 355 and Stringtown Road
- MD 355 and Clarksburg Road (currently signalized)
- Stringtown Road and the Greenway Road
- Stringtown Road and Mid-County Highway/Mid-County Arterial
- Clarksburg Road and the Greenway Road
- Clarksburg Road and Mid-County Arterial

The applicant must contact the Division of Traffic and Parking Services for design, location and other specification details for the roadway and intersection conduit needed along and across those portions of roadway to be constructed under Phase I.

Page 4 - Wynn Witthans - Clarksburg Town Center - Phase I

I look forward to working further with you, the applicant and the "Development Review Team" as this project progresses. Please call me (301-217-2088) if you have any questions or need clarification of our comments.

Sincerely,

Sarah R. Navid, Traffic Engineer Division of Land Development Services Department of Permitting Services
